This Agreement modifies and supplements the terms and conditions of the Contracts, and the provisions set forth herein shall be deemed a part of the Contracts.

1. **Definitions.** The federal privacy regulations at 45 C.F.R. parts 160 and 164 and the Health Insurance Portability and Accountability Act (42 USC Section 201, et seq.), shall be collectively referred to herein as “HIPAA”. Covered Entity reserves the right to review documentation and other evidence of compliance with this requirement. Neither Business Associate nor any of its employees, subcontractors or agents shall use or further disclose Protected Health Information in any manner that would violate the requirements of this Agreement or the HIPAA privacy regulations as set forth in 45 CFR, Sections 160 and 164. Business Associate may use and disclose Protected Health Information when necessary for Business Associate’s proper management and administration, or to carry out Business Associate’s specific legal responsibilities pursuant to the Contracts. Business Associate shall not disclose more information than the minimum amount necessary to allow Business Associate to perform its functions pursuant to the Contracts. 4. **Safeguards for Protected Health Information.** Business Associate shall use appropriate safeguards to prevent the use or disclosure of Protected Health Information other than expressly provided for in this Agreement including implementing administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic PHI that it creates, maintains, or transmits on behalf of Covered Entity. Business Associate shall assure that any agents or subcontractors to whom it provides any Protected Health Information under this Agreement shall agree in writing to the same restrictions and conditions of Business Associate under this Agreement to assure that such agent or subcontractor complies in all respects with the provisions of this Agreement and the HIPAA privacy standards.

Covered Entity will be responsible for making all determinations regarding the grant or denial of a Patient's request for PHI and Business Associate will make no such determinations. Only Covered Entity will release PHI to the Patient pursuant to such a request.

Covered Entity will be responsible to prepare and delivery the records of disclosure to the Patient. Business Associate will not provide an accounting of its disclosure directly to the Individual.

10. **Covered Entity Provision of Information to Business Associate on Restrictions.** If Covered Entity advises Business Associate of any changes in, or restrictions to the permitted use or disclosure of PHI provided to Business Associate, Business Associate will restrict use or disclosure of PHI consistent with the instructions.

11. **Access to Business Associate's Books and Records.** Business Associate will allow Covered Entity access to its internal practices, books, and records, relating to the use and disclosure of Covered Entity's Protected Health Information to allow Covered Entity to verify compliance with this Agreement. 13. **HIPAA Requirements.** Business Associate and Covered Entity agree to work cooperatively to meet applicable requirements of the HIPAA regulations.

14. **Termination of Applicable Contract.** This Agreement shall be effective as of the date of the last signature hereto and shall automatically terminate if Business Associate ceases to provide services to Covered Entity (or vice versa) or as otherwise specified in this Section 14. Covered Entity shall have the right to terminate any or all of the Contracts if Business Associate has violated a material term of this Agreement. Upon any such termination, Business Associate shall promptly return or destroy all Protected Health Information received from Covered Entity in connection with the terminated Contracts. If the return or destruction of Protected Health Information is not feasible, Business Associate shall continue the protections required under this Agreement to the Protected Health Information consistent with the requirements of this Agreement and the HIPAA privacy standards.

In the event that Business Associate ceases to do business or otherwise terminates its relationship with Covered Entity, Business Associate agrees to promptly return or destroy all Protected Health Information, received from Covered Entity, in a timely manner.
